Terms of Use:

You may print as many copies of this resource as you need for use with your family and classroom. If you plan to share with others, please purchase additional licenses at a reduced price. Please purchase additional licenses if you plan to post it on a website for teachers, students, or parents in your school district to download. I appreciate credit for the work I have done, so please don't claim it as your own work. Please contact me at GrammaElliottCreations@gmail.com if you have other questions.

Through classroom teaching, tutoring, and helping family members with homework, I enjoy creating learning tools that help students learn with confidence. I draw and paint almost all of my pictures. I hope that my colored images will inspire students to create their own pictures. My BW images provide students outlines for their own coloring. Many of my products are reusable and require assembly, while others are "no prep" worksheets that students tend to enjoy.
